

Disclosure of Personal Data to Third Parties

Personal details provided through the Delight Learning website, may be used and disclosed to other entities and/or business partners in the operation of the delightlearning.com website, in order to provide products and services requested and for marketing and promotional purposes. We will not sell, rent, or lease any individually identifiable information to others without your permission. Unless we have your permission or are required by law, we will only share the personal data you provide to us to business partners who are acting on our behalf to help us provide you with our products and services. Any personal information submitted by you to the Site for public posting, including testimonials and comments, may be made visible and available to DelightLearning and/or its affiliates, licensors, visitors and customers.

Identifiable and non-identifiable visitor information and data may be disclosed or distributed to another party with which Delight Learning enters or reasonably may enter into a corporate transaction, such as, for example, a merger, consolidation, acquisition, or asset purchase, or to a third party pursuant to a subpoena, court order, or other form of legal process, in response to a request by or on behalf of any local, state, or other government agency, department, or body, whether or not pursuant to a subpoena, court order, or other form of legal process, or if determined by Delight Learning in its sole judgment that such disclosure or distribution is appropriate to protect the life, health, or property of Delight Learning or any other person or entity.

While we may undertake efforts to see that any third party to which it shares, rents, sells, or otherwise discloses personal data is under a contractual obligation to use the personal data solely for the purposes for which the data was disclosed, such third parties are independent third parties over which DelightLearning exercises no control. DelightLearning is not responsible for, and will not be liable for, the conduct, actions, omissions, or information handling or dissemination practices of third parties.

International Transfer

DelightLearning collects personal data that may be stored and processed in your region, and in any other country where DelightLearning or its affiliates operate facilities. In order to facilitate and expedite our global operations, we may transfer and access such information from around the world, including from other countries in which DelightLearning has operations. This Privacy Statement shall apply even if DelightLearning transfers Data to other countries. Employees operating in other countries where we have global operations may process the data we hold. These employees may be engaged in product development, operations and customer and technical support, among other things. It is possible that the data protection and legal requirements of these countries might not be as comprehensive or protective

as those in your country. However, our collection, storage and use of your Personal Data will at all times continue to be governed by this Privacy Policy. Through the process of submitting your data and/or using Our Services, You consent to the transfer, storing, and processing of Your data in these countries.

For our customers in Europe: We may have to transfer personal data from the European Economic Area and Switzerland to other countries, some of which have not been determined by the European Commission to have an acceptable level of data protection. While doing so, we use contracts to help ensure your rights and protections travel with your data. When you submit your data and/or use Our Services, You consent to the transfer, storing, and processing of your data in these countries.
